

Xenos Classes: Summer 2018 (2nd Session)

HOMILETICS a 5-week class with Gary DeLashmutt

During the first two weeks of this five week workshop, Gary will present overviews of how to format teachings, and dynamic/ authoritative speaking. Over the course of the last three weeks, students will present two ten-minute teachings and receive feedback from the instructors and other participants. There will be assignments each week, but there will not be any quizzes or tests. There will be plenty of time to interact with questions.

\$38 per adult or \$12 for student/reduced rate (register before 8/21)

PSALMS a 5-week class with Lee Campbell

"The New Testament is in the Old Testament concealed. The Old Testament is in the New Testament revealed." Nowhere is this more evident than in the Psalms. Psalms are God's prayer book - teaching us how to pray honestly & loyally. Psalms are poetry - moving because poetry sneaks around our reluctance to feel strong emotions. The Psalms are honest - not always nice or happy, but they tell the truth about doubt during painful times. Come hear God speak through the Hebrew poets in this enlightening, stirring and challenging study.

Wednesdays, August 22 – September 19, from 7 – 9:30 p.m.

\$38 per adult or \$12 for student/reduced rate (register before 8/21)

THE RESURRECTION FROM A JEWISH PERSPECTIVE

a 5-week class with Eric Chabot

You might hear someone like Bart Ehrman say that the Old Testament doesn't teach that there's an afterlife. This class is an overview of the notion of resurrection of the dead as found in the Jewish Scriptures, select writings from 1st Century Jewish writings, and the New Testament. Particular emphasis is placed the relationship between the Jewish Scriptures and how the early followers of Jesus saw the resurrection as a messianic qualification. Specific attention will also be given to how the resurrection should affect our daily lives.

Wednesdays, August 22 – September 19; from 7 – 9:30 p.m.

\$38 per adult or \$12 for student/reduced rate (register before 8/21)

RESTORING OTHERS TO FAITHFUL SERVANTHOOD

Topics will include: God's grace and love, the power of the word, God's sovereignty, victorious suffering, eternal perspective, the role of affection, and rekindling love output.
