**REDISCOVERING BIBLICAL COUNSELING**  
*a 2 part class from 7-9pm on Wed nights with Amy Moreno, LPCC-S*

What truly is Christian Counseling? How would psychological health be defined from a Christian perspective? How can the integration of psychology and theology contribute to mental health and well-being? This course is designed for those who have a basic understanding of psychology and biblical theology and want to build a more robust biblical framework that has psychological integrity to enhance their counseling ministry.

Licensed Counselors and Social Workers can receive up to 8 Board approved CEU’s, pending state approval. Each week is worth 1 CEU for an additional $10/week. Nota Bene: Due to its similarity to another state approved course from Moreno, we do not foresee any barriers to state approval.
