

Xenos Classes: Winter 2019 (2nd Session)

WOMEN IN MARRIAGE

a 5-week class with Mary Beth Gladwell

Can marriage work in the 21st century? What would a good marriage look like? Could the Bible, written thousands of years ago, possibly have anything relevant to say about this issue? This five week course will consider what we can do as women to improve our marriages. We will explore such topics as sex, forgiveness, how to create an environment of acceptance and many more.

Wednesdays, February 13 – March 13, from 7 – 9 p.m.

\$38 per adult or \$12 for students (register before 2/12)

MEN IN MARRIAGE

a 5-week class with Lee Campbell

Men want to be successful husbands but often find themselves unmotivated or confused about how to do well with this very important relationship. There are a few principles that if understood and practiced can help a great deal. This class is designed for married men; however, single men are free to join us.

Wednesdays, February 13 – March 13, from 7 – 9 p.m.

\$38 per adult or \$12 for students (register before 2/12)

INVESTIGATING CHRISTIANITY

a 5-week class with Doug Rudy

Why take the Bible seriously? Hasn't science proven the Bible wrong? How could a loving God allow so much suffering in the world? If Christianity is true, what does that say about other religions? These are great questions, and ones that deserve answers. In this class, these and other questions are carefully thought through. If you are investigating spirituality, including the Christian faith, but have questions or reservations that need answers – you should find these five discussions very interesting and thought-provoking.

Wednesdays, February 13 – March 13, from 7 – 9:30 p.m.

\$10 for all (Register before 2/12)

EFFECTIVE SHORT-TERM MISSIONS

a 3-week class with Holly McCallum

God wants all believers to become World Christians either by becoming missions mobilizers or long-term missionaries. Where do you fit in?
